How to Order

- 1 Choose your gift hamper and gift message (single message - see below).

- 2 Request our delivery spreadsheet and populate with all recipients' names, delivery addresses, contact email and mobile numbers.

- 3 Choose your preferred delivery date.

Gift Messaging

A personalised gift card can be added to each hamper. The message must be the same for each hamper if ordering in quantity.

This is complimentary and part of our Corporate Gifting service.

Delivery

Delivery will be made by either DHL or DPD either as one drop or per individual address as the customer prefers. If being delivered as one drop, it is likely the hampers will be delivered on a pallet. This would require a forklift or pallet truck to be used at the delivery destination so the pallet can be taken off in its entirety. Removing individual hampers is not permitted.
